And Senator Pirsch was very helpful. Each cigarette contains that minute bit of poison. Cigarettes kill far more people than chlordane ever did. There's a more direct link to these ailments between tobacco and the ailments than there was between alar and whatever it was supposed to do. And those were banned. But, because the tobacco industry, Senator Bohlke, is so powerful, and Senator Moore, this poison continues to be sold when we would not allow a similar poison in any form to be sold.

PRESIDENT MOUL: Time.

SENATOR CHAMBERS: I think the case has been made but the tobacco industry is too strong, it overrides all.

PRESIDENT MOUL: Thank you, Senator Chambers. Before we continue with debate, I would like to direct the senators' attention to the south balcony. Special guests today of Senator Doug Kristensen are seven eighth grade students and two seventh grade students from Superior Public Schools. They are accompanied by their teacher. Would you please rise and be recognized. Welcome to the Chambers. Thank you. Senator Robak.

SENATOR ROBAK: I move we adjourn until tomorrow morning at nine...I mean, until Monday morning, February 3rd at 9:00 a.m. Am I out of order?

PRESIDENT MOUL: Could you read some...

CLERK. Madam President, very quickly, if I may. Priority bill designation by Senator Rogers, LB 349; Senator Morrissey has selected LB 1257. Hearing notice from Appropriations Committee, signed by Senator Moore. A bill read on Final Reading this morning has been presented to the Governor. (Re: LB 1013.)
